RULES OF PROCEDURE

1. Submission of Presentation Files

We kindly request that presenters submit their presentation files **1-2 days prior to the event** for preparation purposes. Files should be sent via email to: rueiyu721@gmail.com.

2. Presentation Format

Presentations have been grouped into sections. Each presenter is allocated **15 minutes** for their presentation.

3. Time Management

The timekeeper will give a reminder 3 minutes and 1 minute before your allotted time ends.

4. Question and Answer Session

The Q&A session for each section will follow immediately after all presentations in that section are completed. Audience questions will be directed to the presenters during this time, with assistance from the host/moderators.

5. Sharing of Presentation Files

A copy of your presentation files may be shared with participants for dissemination.

- If any portion of your presentation is subject to an embargo provision or needs to be omitted, please notify us in advance.
- Alternatively, you may provide a version of your files specifically prepared for sharing/dissemination.

We appreciate your cooperation and look forward to your valuable contributions to the event.
