## Welcoming Remarks

**Professor HO Shun Man, Simon**  
President

Dear Postgraduate Students,

A heartfelt welcome to The Hang Seng University of Hong Kong (HSUHK)!

It is my great pleasure to welcome you as you embark on your postgraduate journey with us. This upcoming year promises to be an enriching experience filled with rigorous academic challenges, opportunities for personal growth, and a chance to forge meaningful connections in a global network.

At HSUHK, we recognise that postgraduate education transcends the acquisition of professional knowledge or the mere preparation for career advancements; it is about nurturing your holistic development as future leaders. Throughout this intensive academic year, I encourage you to seize every opportunity that comes your way: challenge yourself intellectually, actively participate in thought-provoking discussions, collaborate with fellow students, and contribute to the vibrant HSUHK community.

The year ahead will be both challenging and rewarding. In addition to deepening your expertise in your chosen field, you will cultivate the confidence, resilience, and global perspective essential for navigating today's complex landscape. Our goal is to empower you to emerge as responsible, ethical individuals—equipped to tackle the challenges of a rapidly changing world and to lead with purpose and integrity.

While your time at HSUHK may be brief, I hope it will be truly transformative. Embrace each moment, and embark on this journey with passion and determination.

Once again, welcome to HSUHK. I wish you a successful, enriching, and fulfilling year ahead.

Warm regards,

Professor Simon S.M. Ho  
President  
The Hang Seng University of Hong Kong

**"Leading the Future, Beyond Imagination"**  
學領未來，創想無界

Welcome to The Hang Seng University of Hong Kong (HSUHK) family! This orientation not only marks the beginning of your postgraduate journey but also is a historic moment as we come together to launch a new chapter in our university's development—a chapter that is dynamic, forward-looking, and filled with exciting possibilities.

The theme of this year's orientation, "Leading the Future, Beyond Imagination," captures the very essence of our shared mission. At HSUHK, we believe the future is something we actively shape and contribute. As postgraduate students, you will enter an environment where your ideas, research, and leadership will help define the world of tomorrow.

HSUHK unique "Liberal + Professional" education model integrates critical thinking, creativity, ethical leadership, and practical expertise, enriching your academic experience. You are not merely acquiring knowledge; you are developing a profound sense of purpose to effect positive change in your communities and industries. Graduate School represents a bold stride in our mission to cultivate you as caring professionals with a global vision.

We are guided by essential values that foster a nurturing academic environment. "Care for Learning, Learning to Care" reflects our commitment to your personal and academic growth, emphasising the importance of caring for society and the world. Simultaneously, "Research with Impact, Impact with Care" highlights our belief that meaningful research must possess both intellectual depth and social relevance, measured not just by innovation, but also by empathy.

We warmly welcome you to the HSUHK, where you will be part of a pioneering cohort poised to shape the future of our university and beyond.

Together, let us embark on a journey of excellence, innovation, and impactful change. Join us as we move forward with courage, compassion, and imagination!

## 紅日

命運就算顛沛流離  
命運就算曲折離奇  
命運就算恐嚇著你做人沒趣味  
別流淚 心酸 更不應捨棄  
我願能 一生永遠陪伴你

命運就算顛沛流離  
命運就算曲折離奇  
命運就算恐嚇著你做人沒趣味  
別流淚 心酸 更不應捨棄  
我願能 一生永遠陪伴你  
OOO HOO OOO HOO

一生之中兜兜轉轉 那會看清楚  
徬徨時我也試過獨坐一角  
像是沒協助  
在某年 那幼小的我  
跌倒過幾多幾多落淚在雨夜滂沱  
一生之中彎彎曲曲我也要走過  
從何時有你有你伴我給我  
熱烈地拍和  
像紅日之火 燃點真的我  
結伴行 千山也定能踏過

讓晚風 輕輕吹過  
伴送著清幽花香像是在祝福你我  
讓晚星 輕輕閃過  
閃出你每個希冀如浪花  
快要沾濕我 喔喔  
命運就算顛沛流離  
命運就算曲折離奇  
命運就算恐嚇著你做人沒趣味  
別流淚 心酸 更不應捨棄  
我願能 一生永遠陪伴你  
OOO HOO OOO HOO

There are many roads in life  
And Love brings us together  
I remember all our moments close our eyes  
I'll still be there  
Watching the red sun we're forever young  
Never knowing always dreaming of that day

Life will be a mystery  
When all we have is memories  
Our Love will last forever like  
the planets in the sky  
Venus shined so bright  
as we reached the high  
In our memory we'll always be forever

We're there, side by side  
As the fire keeps on  
burning through the night

Still hold hands, closed our eyes  
We'll never have to be alone  
Where we will go~~

Every time the sun goes down  
And every time love comes around  
And every time you're all alone  
don't cry or feel upset  
Follow the red sun even when hope's gone  
And the Evening star will guide us on the way

Every time the sun goes down  
And every time love comes around  
And every time you're all alone  
don't cry or feel upset  
Follow the red sun even when hope's gone  
And the Evening star will guide us on the way

命運就算顛沛流離  
命運就算曲折離奇  
命運就算恐嚇著你  
做人沒趣味  
別流淚 心酸 更不應捨棄  
我願能 一生永遠陪伴你

命運就算顛沛流離  
命運就算曲折離奇
