**Dr Ayomide Oluwaseyi
OLADOSU**

Biography

Dr. Oladosu Ayomide is a Senior Research Associate at the School of Transdisciplinary Studies, Hang Seng University of Hong Kong. He specializes in population health and wellbeing, with an interdisciplinary focus on youth health, informal sector dynamics, occupational health, ageing, international higher education and student mobility. Through his research, Dr. Oladosu advocates for enhancing the quality of life and wellbeing for diverse populations, particularly by exploring mental health support for young people, women, and the elderly. He also teaches interdisciplinary courses, including Social Services and Health, Research Methods, China-Africa Relations, Managing Well-being and Smart Ageing.
