Dr MOU Leping

Biography

Leping Mou is Assistant Professor and Deputy Director of the Centre for Research & Development in Adult and Lifelong Learning (CR&DALL) in the School of Education at the University of Glasgow. He previously worked at universities in Canada and China, including the University of Toronto and Shanghai International Studies University, before moving to Glasgow in 2023. His research focuses on comparative and international higher education, with particular interests in liberal arts education, whole-person development, and capability cultivation. He serves on the editorial boards of Studies in Higher Education and the Journal of Further and Higher Education.

Venue : CR219, 2/F, Creative Humanities Hub,
North Campus, HSUHK

Time : 11:00 – 12:00 (HKT)
